About Us

ceramic tiles a reputed manufacturer and exporter of technically-advanced vitrified- Porcelain tiles, providing an expansive range of vitrified tile for home and commercial interiors. ceramic tiles a private limited company at the western-Indian ceramic hub of Morbi (Gujarat) India. With the modern manufacturing facilities, Production unit is technically supported by SACMI, a recognized worldwide leader of manufacturing machines and complete plants for Ceramics industry.

Exclusivity in design and exquisite finishes defines the ceramic tiles as Best products offerings. Use of quality-certified raw materials and innovative – modern technology, Tiles produces in ceramic tiles are the best blend of stylish designs and productive long lasting strength. With the newfangled ideas, we assure and able to create consolidation of Beauty, Style & Quality in Vitrified Tiles which will drive you to the luxuries way...

STONE SURFACE

Beauty from the bottom of the sea: sedimented, layered and set in stone by the patient work of water and time. this is limestone, which cotto d'este has recreated and interpreted with a new sleek and modern look. a unique, exclusive product that combines the finest graining and the most delicate chromatic variations with three extraordinary surfaces: natural, honed and blazed.

the new version in kerlite 5plus enriches and completes the range of thickened porcelain stoneware formats, making limestone a proposal to satisfy the design requirements of any architectural environment.
