extreme luxury...

At Ultralux, we firmly believe in a single dictum
'Don't follow, be a leader'

This approach has inspired us to develop products that can create ripples in the market. With truly outstanding designs and flinching quality, Ultralux range of products has become a synonym of the finest quality in the architectural hardware arena.

We have invested in developing a full-fledged R&D setup and a state of the art manufacturing facility, with a name Ultralux Industries, at Jamnagar, the hub of brass industries of India. Our talented designers conceive and create masterpieces that can meet the needs of today's lifestyle of the end consumer as well as the merchandising needs of the retailer.

We are into a varied type of bathroom fittings it's accessories, and architectural hardware products such as mortise handles it's lock parts and cabinet handles, made up from brass. continuous innovations, backed with stringent quality controls, have helped our brand Ultralux stand out and earn a name for itself within a short span of time.

We keep on expanding our product range, keeping pace with the needs and the trends of the market. Aggressive yet ethical marketing has helped us establish a strong sales network all around the country. Warm and very encouraging support from our distributors and dealers has build up a strong foundation for our brand.
